#### H. SKETCH

- 1. The application shall be accompanied by a sketch showing the following:
  - the boundaries and dimensions of the subject lands including the part that is to be severed and the part that is to be retained.
  - the boundaries and dimensions of any land owned by the owner of the subject lands and that abuts the subject lands.
  - the distance between the subject lands and the nearest municipal lot line or landmark, such as a railway crossing or bridge.
  - the location of all land previously severed from the parcel originally acquired by the current owner of the subject lands.
  - the approximate location of all natural and artificial features on the subject lands and adjacent lands, including railways, highways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded areas.
  - the existing use(s) on adjacent lands.
  - the location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right-of-way.
  - where access to the subject lands is by water only, the location of the parking and boat docking facilities to be used.
  - the location and nature of any restrictive covenant or easement affecting the subject land
  - if the severed parcel is to be conveyed to an abutting property owner, please identify the abutting property with name and instrument number exactly as now registered.
  - the location of any existing sewage system and well, on the lot to be created and/or retained.
