#### RESIDENTIAL LOT IN A RURAL/AGRICULTURAL AREA

INFORMATION FORM

| LOT     | SIZE  | CREATED |   |
|---------|-------|---------|---|
| THEMPSE | ROLL. | NO.     | • |

This form must be completed as part of the Application For Consent for each severance application involving a residential lot in a rural/agricultural area. If not completed, your application may be denied.

#### 1. RESIDENTIAL LOT TYPE

As different policies apply to different lot types, it is important that the nature of the application be specified. The following listing reflects the types of residential lots which fall within the severance criteria for the rural/agricultural area, together with estate residential lots. Planning Staff assistance is available.

Please circle one only:

①. One lot from a farm holding 2. Estate lot

(first name)

- 3: Surplus farm house
- 4. Infilling lot

- 5. Residential lot involved in a boundary adjustment
- 6. Existing second dwelling from a non-viable rural property
- 7. Dwelling separated from existing commercial or industrial use in the rural area
- 2. If the lot type is a "one lot from a farm holding" or an "infilling lot", please list ALL PROPERTIES owned and rented by the applicant which are involved in the farm operation. Properties located in other area municipalities MUST be included. Roll numbers can be obtained from your tax certificates.

A Commissioner, etc.

NOTE: Each copy of the application must be accompanied by a sketch showing:

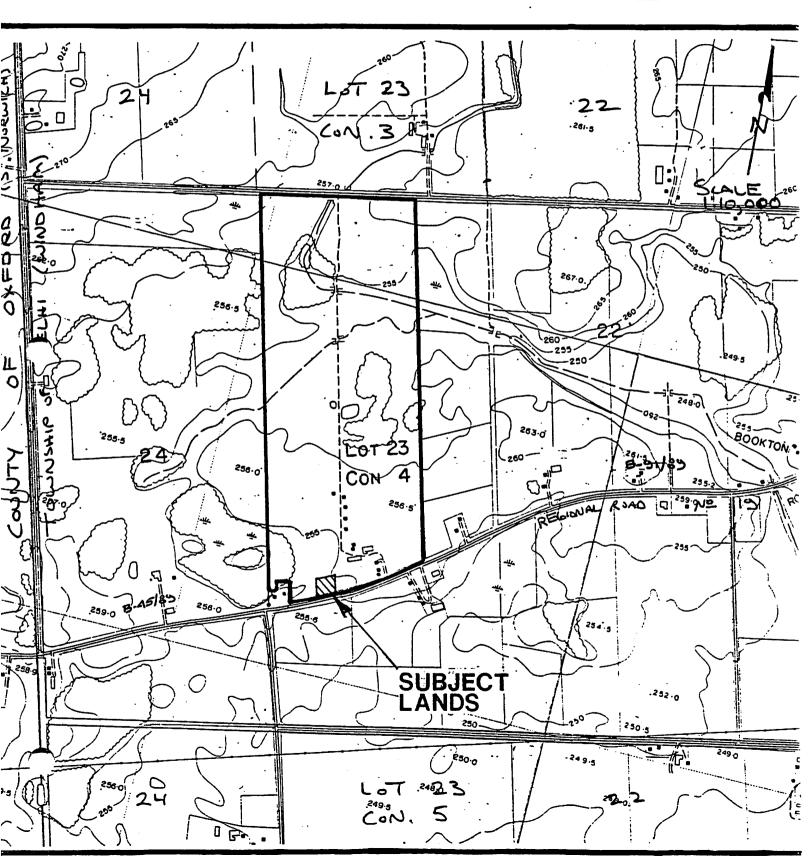

- a) Abutting land owned by the grantor, its boundaries and dimensions:
  - The distance between the grantor's land and the nearest township lot line or appropriate landmark (e.g. bridge, railway crossing, etc.)
- c) The parcel of land that is the subject of the application, its boundaries and dimensions, the part of the parcel that is to be severed, the part that is to be severed, the part that is to be retained and the location of all previously severed lands;
- d) The location of all natural and artificial features on the subject land (e.g. buildings, railways, highways, watercourses, drainage ditches, banks, slopes, swamps, wooded areas, wells and septic tanks) and the location of any of these features on adjacent lands which may affect the application;
- e) The use of adjoining land (e.g. residential, agricultural, cottage, commercial, etc.);
- f) The location, width and names of all road allowances, rights-of-way, streets, or highways within or abutting the property, indicating whether they are public travelled roads, private roads, rights-of-way or unopened road allowances;
- g) The location and nature of any restrictive covenant or easement affecting subject lands;
- h) If the severed parcel is to be conveyed to an abutting property owner, please identify the abutting property with name and instrument number exactly as now registered.
