J. SUPPORTING MATERIAL TO BE SUBMITTED BY APPLICANT

In order for your development application to be considered complete, **a sketch**, in metric units, drawn to scale, must be included as part of the development application. **Any proposed changes to dimensions after the Committee of Adjustment's decision will require resubmission to the Committee. It is therefore strongly recommended that applications be accompanied with a surveyors sketch which shows:**

1. The boundaries and dimensions of the subject lands including the part that is intended to be severed and the part that is intended to be retained
2. Location, size, height and type of all **existing** and **proposed** buildings and structures on severed or retained lands, including the distance of the buildings or structures from the front yard lot line, rear yard lot line and side yard lot lines
3. The boundaries and dimensions of the lands owned by the owner, including the subject lands and abutting lands
4. The distance between the subject lands and the nearest municipal lot line or landmark, such as a railway crossing or bridge
5. The location of all lands previously severed from the parcel originally acquired by the current owner of the subject lands
6. The approximate location of all natural and artificial features including but not limited to, buildings, railways, roads, watercourses, municipal drains, drainage ditches, banks of rivers or streams, pipelines, gas wells, wetlands, wooded areas that are located on the subject land and on land that is adjacent to it and may affect the application
7. The current use(s) of the adjacent lands
8. The location, width and name of any roads within or abutting the subject lands. Indicate whether the road is an unopened road allowance, a public travelled road, a private road or a right-of-way
9. The location and nature of any restrictive covenant or easement affecting the subject lands
10. If the severed parcel is to be conveyed to an abutting property owner, please identify the abutting property with name and instrument number exactly as now registered
11. The location of any existing sewage system and well, on the lot to be created and/or retained

Five (5) copies of any applicable information/reports indicated in the development application.

If other documentation/supporting material become necessary, you will be contacted. This information must be submitted prior to your development application proceeding.
