potential issues and to determine the required information and materials to be submitted with the application in order for it to be considered “complete” by staff. The applicant has the opportunity to make revisions to the application prior to submission, without the additional costs of recirculation fees. The goal of the pre-consultation meeting is to provide clear feedback to the applicant in order that the application process moves in an expeditious manner. It may be necessary to seek the assistance of independent professional help (e.g. planning consultant, engineer, etc.) for complex applications.

If a pre-consultation meeting has been held to discuss your development, please provide the privileged information minutes that addressed the outcomes of the meeting with your completed application. It should be noted that pre-consultation minutes are valid for one year after the meeting date.

Processing the Development Application

Once an application has been deemed complete by a planner it will be circulated to public agencies and County departments for review and comments. Notice of the application is also provided to adjacent land owners. The comments received assist the planner with the review and recommendation/approval of your application.

The time involved in processing an application varies depending upon its complexity and its acceptability to the other agencies.

An additional fee will be required if a review by the Long Point Region Conservation Authority or by the Grand River Conservation Authority is deemed necessary by planning staff and/or by the Authority. A separate cheque payable to the Long Point Region Conservation Authority or the Grand River Conservation Authority is required in accordance with their fee schedule at the same time your application is submitted.

Additional studies required as part of the complete application shall be at the sole expense of the applicant. It should also be noted that in some instances peer reviews may be necessary to review particular studies and that the cost shall be at the expense of the applicant. The company to complete the peer review shall be selected by the County.

If the application is withdrawn prior to the circulation to commenting agencies, the entire original fee will be refunded. If withdrawn after the circulation to agencies, half the original fee will be refunded. If your drawings are required to be recirculated there will be an additional fee. Also, please note that if your engineering drawings require more than three reviews due to revisions by the owner or failure to revise your engineering drawings as requested, an additional fee will be charged.

EVALUATOR Neil Montague

PROPERTY ADDRESS 680 Concession 12

A hand-drawn site plan on graph paper. A horizontal line at the top is labeled "Conc. 12". A vertical line runs down the center, representing a driveway. To the left of the driveway, there is a rectangular area labeled "lawn" with horizontal lines, measuring "48 ft" vertically and "20 ft" horizontally. Below the lawn is another rectangular area labeled "garden" with horizontal lines, measuring "10 ft" vertically. To the right of the driveway, there is a rectangular area labeled "House". To the right of the house is a smaller rectangle labeled "2000 gallon septic tank". A curved line connects the septic tank to a point labeled "Well" in the bottom right corner. A line also connects the driveway to the lawn area.
