

Committee of Adjustment Application for Consent

Complete Application

The application must be completed by the owner or authorized agent. If the application is being submitted by an agent, the owner's written authorization is required. If the lands subject to this application are owned by more than one owner, the authorization of all owners is required. Submission of this application constitutes consent for authorized municipal staff to inspect the subject lands.

It is the responsibility of the applicant to research and evaluate the site and the proposal to ensure that the development will conform to the interests of the health, safety and welfare of future residents. Sufficient studies for the completion of the application should be carried out prior to submission and should be reflected in the application form.

Before the application is submitted

A pre-consultation meeting is not required for Committee of Adjustment applications; however, further information can be provided by Planning Department staff prior to the submission of an application. The purpose of communicating with a planner before you submit your application is: to review the proposal / application, to discuss potential issues; and to determine the required supporting information and materials to be submitted with your application before it can be considered complete by staff.

Online Application Process

All applications must be submitted online via the County's CityView Portal. The portal can be accessed here: [Welcome - CityView Portal](#). The applicant will submit the materials required as part of a complete application. Once the County confirms receipt of a complete application, the applicant will be contacted and provided further direction for payment options.

User Fees

The planning application fee will be determined when the application can be deemed complete according to Norfolk County Community Planning user fees: [User Fees | Norfolk County](#)

Cash, debit, credit or cheque payable to Norfolk County in the amount set out in the user fees By-Law that will be accepted and deposited once the application has been deemed complete.

If the subject lands are located in an area that is regulated by either the Long Point Region Conservation Authority or by the Grand River Conservation Authority an additional fee will

be required if review by the applicable agency is deemed necessary. A separate cheque payable to the Long Point Region Conservation Authority or the Grand River Conservation Authority is required in accordance with their fee schedule at the time of submission.

After the application is submitted

In order for the application to be deemed complete, all of the components noted above are required. The *Planning Act* permits up to 30 days to review and deem an application complete.

Once the application has been deemed complete by the Planning Department, it is then circulated to public agencies and County departments for review and comment. A sign is provided that is required to be posted on the subject lands summarizing the application and identifying the committee meeting date. The comments received from members of the community will be included in the planning report and given consideration.

Additional studies required as part of the complete application shall be at the sole expense of the applicant. Any required peer reviews shall be at the expense of the applicant. The peer reviewer shall be selected by the County.

If the application is withdrawn prior to the circulation to commenting agencies, the entire original fee will be refunded. If withdrawn after the circulation to agencies, half the original fee will be refunded. No refund is available after the public meeting and/or approval of application.

Notification Sign Requirements

Planning Department staff may post a notification sign on your property in advance of the public meeting on your behalf. Please keep this sign posted until you have received a notice in the mail indicating that the Secretary Treasurer received no appeals.

It is the applicant's responsibility to ensure that the sign is correctly posted within the statutory timeframes, according to the *Planning Act*. Failure to post a sign in advance of the public meeting in accordance with statutory requirements will impact the timing of the Committee of Adjustment meeting. Applicants are responsible for removing the sign following the appeal period. The signs are recyclable and can be placed in your blue box.
