

GUIDE FOR THE SUBMISSION OF AN APPLICATION FOR A ZONING BY-LAW AMENDMENT

Submitted
June 7th

COMPLETE APPLICATION

A complete development application for a zoning By-Law amendment consists of the following:

1. A properly completed and signed development application form;
2. Supporting information adequate to illustrate your proposal as indicated in Section J. of this development application form;
3. Consent from the registered owner of the subject lands where the applicant is not the owner; and,
4. A cheque payable to Norfolk County in the amount set out in the fees By-Law.

The above information is required to ensure that your development application is given full consideration. An incomplete or improperly prepared development application may not be accepted or may result in delays during the processing of the development application.

PRE-CONSULTATION

A pre-consultation meeting with staff is strongly recommended for all applications. Depending on the complexity of each application, a pre-consultation meeting may only be necessary with a Planner or, it may be beneficial to arrange a pre-consultation meeting with additional County staff. The purpose of a pre-consultation meeting is to provide the Applicant with an opportunity to present and review the proposed Application, to discuss potential issues, and to determine required elements and materials to be submitted with the Application in order for it to be considered "complete" by staff. The Applicant has the opportunity to make revisions to the Application prior to submission, without the additional costs of recirculation fees. The goal of the pre-consultation meeting is to provide clear feedback to the Applicant in order that the development application process moves in an expeditious manner. It may be necessary to seek the assistance of independent professional help (e.g. planning consultant, engineer, etc.) for complex development applications. For additional information or assistance in completing this development application, please contact a Planner at 519.426.5870 or 519.875.4485 or 519.582.2100.

PROCESSING THE DEVELOPMENT APPLICATION

Once an application has been deemed complete by a Planner, it will be circulated to other public agencies and County departments for their review and comments. The comments received from these other public agencies assist planning staff with the preparation of the report and recommendation.

The time involved in processing a development application varies depending upon its complexity and its acceptability to the other public agencies and local residents. If objections are received during the appeal period for the decision, an Ontario Municipal Board hearing must be held which can add considerable time to the process.

At the appropriate times, the applicant, owner or agent, as the case may be, will receive the following:

1. Written acknowledgement of receipt of the submitted development application and fees;
2. Notice of completed application;
3. Written notice of the date and time of the open house (if applicable) and public meeting when Council will be considering the development application (the applicant, owner, agent and the public will have the opportunity to make a verbal presentation at the meeting);
4. A copy of the staff report; and
5. Written decision of Norfolk County Council.

NOTIFICATION SIGN REQUIREMENTS

For the purpose of public notification and in order for staff to locate your lands, you will be given a sign to indicate the intent and purpose of your development application. It is your responsibility to:

1. Post one sign per frontage in a conspicuous location on the subject lands;
2. Ensure one sign is posted at the front of the subject lands at least three feet above ground level;
3. Notify the Planner when the sign is in place in order to avoid processing delays; and
4. Maintain the sign until the development application is finalized and thereafter removed.

FEES AND SUBMISSION

The following is required in order for the development application to be considered complete: one copy of this development application, information stated in Section J. and the required application fee as set out below. Cheques can be made payable to Norfolk County. Additional fees or legal costs may apply if an Ontario Municipal Board hearing is held.

The application fee is calculated as follows:

Base fee	\$
Building review fee	
Total	\$

An additional fee may be required if a review by the Long Point Region Conservation Authority or by the Grand River Conservation Authority is deemed necessary by planning staff and/or by the Authority. A separate cheque payable to the Long Point Region Conservation Authority or the Grand River Conservation Authority is required in accordance with their fee schedule, at the same time your application is submitted.

Additional studies required as part of the complete application shall be at the sole expense of the Applicant. It should also be noted that in some instances Peer Reviews shall be necessary to review particular studies and that the cost shall be at the expense of the Applicant. The company to complete the Peer Review shall be selected by the County.

If the application is withdrawn prior to the circulation to commenting agencies, the entire original fee will be refunded. If withdrawn after the circulation to public agencies, but before the public notice being sent, half the original fee will be refunded. If withdrawn after the public notice has been circulated but prior to the report preparation, one quarter of the original fee will be refunded. If the application is withdrawn after the report has been prepared, no fee will be refunded.

For additional information or assistance in completing this development application, please contact a Planner at 519.426.5870 or 519.875.4485 or 519.582.2100. Please submit the completed development application and fees to Norfolk County, Planning & Economic Development Department, 60 Colborne Street South, Simcoe, ON N3Y 4H3 or 22 Albert Street Langton, ON N0E 1G0.
