Dear Neighbour,

We are intending to build a 60x80 shop on our property located at 810 St. John's Road West Simcoe Ontario to repair transport trucks and trailers. We could no longer rent the space we were renting and feel that it would be best to bring our business to our home. We do not intend to repair vehicles around the clock and will keep the noise to a minimum. Our regular shop hours while we were renting the shop previously were 7:00am to 4:00pm, we intend to stick to these hours in the new building. We will be going to Norfolk County Council to get an extension of land use as Rodney D Smith & Son construction operated on this property since the 80's with dumptrucks, bulldozers, earth movers, etc. and we plan to continue to use part of this property in the same manner. We have stored our transport trucks and trailers on our property since we moved here in May of 2009, making sure our drivers are aware of our neighbours and keeping the noise down when they are leaving early morning or late night to be respectful of everyone in the area.

Please feel free to contact us if you have any questions or concerns 5194293325

If you do not have any objections to a repair shop on our property we ask that you please sign this letter.
